Public Hearing Called to Views on City Freeway

Jerome Blank today has called a special public hearing at 3:30 p.m. Tuesday at the City Hall to hear opinions of people on a proposed \$500,000 major highway construction project for Albany.

The hearing was called after numerous residents protested a proposed plan which would make certain city streets "crossways."

Blank said today that the Albany City Council and Traffic Commission have made the plan during the past week and will present their recommendations at the Tuesday meeting.

Albany Civil Defense Moves To New Quarters

The new Albany Civil Defense and Disaster Council headquarters and control center on the second floor of the City Hall were officially opened last Thursday evening with a meeting of wardens of Sector G.

Gerald Browne, director, exhibited the newly completed control panels and explained their meanings and functions. He also announced that a civil defense test exercise authorized by Gov. Earl Warren will be held the evening of Wednesday, February 18, with wardens of Sector G participating.

Brief talks were presented by Chief Warden and vice-Mayor William Donahue, Councilman Lewis Howell and Fire Chief Fred Pimental, followed by a civil defense movie shown by Richard McSheehy of the Fire Department.

During a business session, it was decided to conduct a new survey of Sector G and at the same time recruit as many ladies as possible to serve as alternate wardens and to assume all warden functions during the daytime absence of the male wardens.

The next meeting is scheduled for Thursday, March 5.

Others present at the meeting were Warden Captain Paul Farling, who presided; Charles Hatcher, Howard Bush, William Burt, Paul Sheiber, David Lyon, George Gordon, Neal Pate, Fred Moran, R. D. Querio, S. L. Ramirez, J. B. Brown, George Welch, W. L. Kingsley, Glenn Chappell, Albert Sieling, M. Murrillo, James Hendrick and James Ginty.

NDGW to Honor Grand President

Mrs. Elmarie H. Dyke, grand president of the Native Daughter of the Golden West, will pay her official visit to Albany Parlor No. 260 Thursday evening at Cornell School Auditorium.

The program is being planned jointly by Albany, Cerrito De Ore Parlor No. 306 and Richmond Parlor No. 147.

Grace Colatorri, Regina Tamba and Grace Curry of the respective parlors will preside.

Committee chairmen in charge of the evening will be Ynez Leigh of Albany, Agnes Odegar of El Cerrito and Maude Alexander of Richmond.

Pre-School Mothers Will Honor Fathers

The Albany Pre-School Mothers' Club will honor husbands at a gala Valentine's supper party to be held Saturday evening at Cornell School Cafeteria.

Assisting on the committee of arrangements are the Mesdames Burdette Brown and Vazken Tashin, social; Arthur Handles, food; Will Senior, entertainment, and Herbert Green, decorations.

The event is being given in appreciation for the work the fathers have contributed on the new play facilities at the school, 850 Masonic Ave.

Fireman Freddy Says

Fires in chimneys are due to accumulations of soot caused by imperfect combustion of fuel. Chimneys should be cleaned at least once a year.

Members of the St. Mary's College High School Mothers' Club are planning a spectacular fashion show-luncheon for Tuesday, February 17, at the Lake Merritt Hotel in Oakland. The committee planning the style parade are, standing, left to right, Mrs. George F. McDermott, general chairman, and Mrs. Herbert Kelly, and seated, Mrs. Harry Bonham, Mrs. Frank Carey and Mrs. C. C. McAllen.—Courtesy Gazette.

Albany Housing Standards Rated Among Best in State

The people of Albany live better than most families in California.

Their homes are better heated, equipped with superior plumbing facilities and refrigeration and are less crowded than the average dwelling in the state.

These facts are reported by the Gas Appliance Manufacturers Association which recently analyzed latest census reports on national housing characteristics and determined that 83.2 per cent of Albany's homes are equipped with central heating as compared with 44.1 per cent for all of California.

The GAMA analysis shows that 99.3 per cent of Albany's homes have hot running water and private bath as contrasted with 86 per cent for the entire state and that 89.9 per cent are equipped with mechanical refrigeration. Natural gas predominates as the city's heating, water heating and cooking fuel because of its economy, cleanliness and space-saving attributes.

At census time, Albany's 17,499 residents were housed in 5,474 homes with an average of three persons living in each dwelling, according to GAMA.

Marin Dads to Fete Daughters

The Marin Dads' Club has lined up a full evening of entertainment for its annual Fathers' and Daughters' Night to be held at 7:45 o'clock tonight at the Marin School Auditorium.

The program will open with the presentation of the colors by Girl Scout Troop 156, under the leadership of Mrs. J. E. Maxwell and Mrs. Robert Pruden. The color guard includes Joan Maxwell, Grace Pruden, Karen Blank and Pamela Beck.

The group will lead the pledge of allegiance to the flag and also in the singing of "God Bless America."

Aerobic and hula dance acts will be provided by Jean's Dancing School of 1722 Solano Ave.

Individual acts include Jean Kendall, vocalist, accompanied by Mrs. Robert Kleinhammer; Beverly Henriksen, pianist; Bill Bryant, accordionist and piano, and Spivak and Heath, pianino team.

President Arthur Smith has urged all fathers to attend with their daughters.

12 PTA Leaders Awarded Life Memberships

Over 275 members and guests of Albany's six PTA units met Tuesday afternoon at the Albany High School Auditorium in observance of the 50th birthday of the National Congress of Parents and Teachers.

Highlight of the annual joint Founders' Day meeting was the awarding of 12 honorary life memberships in the national organization to Albany leaders for their outstanding contributions to child welfare, civic leadership and years of service to the PTA.

Awards were presented by Principal Charles Moore of Albany High School to Mrs. F. L. Wray, past president of the PTA; Mrs. Richard Pawson, president, and Mrs. Robert Rogers, publicity chairman.

Principal Milton Gordon of Cornell School presented awards to Mrs. Laurence Olson, past president and Mrs. Lois Seonberg, sixth grade teacher.

Mrs. O. K. Walton, member of the Board of Education presented honorary life memberships to Mrs. Philip E. Meads and Mrs. William Betten, outstanding workers of MacGregor PTA, and C. M. MacGregor, veteran Albany builder and civic leader.

Principal Charles Reed of Vista School presented an award to Mrs. John Kollenbaum.

Marin PTA awarded honorary memberships to Mrs. John Zuercher, Mrs. J. H. McNair and Mrs. Lynn Duggan. The presentation was made by Principal Eugene Baker.

Codornices PTA presented no awards.

Mrs. Pawson of the high school unit presided over the meeting and guests were introduced by Mrs. Wray. Presidents and past presidents were presented by each of the unit Founders' Day chairmen.

Nancy Pauline Turner, music chairman of the California Congress of Parents and Teachers gave an inspiring talk on the background of PTAs, following which she led the Mothersingers in a group of songs.

Salute to the flag was led by the color guard of Girl Scout Troop No. 101, and the invocation was given by Rev. John H. Blackledge, rector of St. Alban's Episcopal Church.

Cornell-Vista Dads Set Daughters' Night

Daughters of Cornell and Vista Schools will be guests of their dads at the annual Dads' and Daughters' Night to be given by the Cornell-Vista Dads Club 7:30 o'clock tonight at Cornell School Auditorium.

Chairman Wally Webb has lined up a fine program consisting of movies and cartoons and two stage acts by Albany High School students.

Following the program, ice cream, cup cakes and hot chocolate will be served in the cafeteria which will be decorated with a suitable valentine theme.

President Bill Burt has urged all dads to celebrate the occasion by accompanying their daughter, or to escort the daughter of a friend or neighbor.

Rites Said For Herbert Layton

Final rites were held Monday evening for Herbert "Freddie" Layton Sr., 924 1/2 Adams St., who died at home Saturday. He was 52.

A native of Missouri, Mr. Layton was an Albany resident 18 years. He was receiving cashier for the Pullman Co. in Richmond and was a member of the Church of Jesus Christ of Latter Day Saints, Berkeley Second Ward and the Royal Arancum.

Surviving are his widow, Naomi; two sons, Herbert Jr., 21, and Winn, 13, living at home; three sisters, Zoe Schulte, Zelma Weitkamp and Georgia Layton, all of Los Angeles and his parents, Henry of St. Louis and Mary R. Wolf of Los Angeles.

Services were held at the Church of Jesus Christ of Latter Day Saints in Berkeley. Committal was in Salt Lake City.

Benefit Cake Sale

The Women's Guild of Northminster Presbyterian Church in El Cerrito is sponsoring a benefit cake sale at the Louis Store, Fairmount and Colusa Aves., starting at 11 a.m. Mrs. Freda Cripps and Mrs. Verne Hoffman will be in charge of the sale.

Council Requests Storm Sewer Funds

Boy Scout Week

No one with the faintest knowledge of the aims and activities of the Boy Scouts needs to be convinced of the value of this great organization. Ever since the Boy Scouts of America came into being back in 1910, its contribution to the betterment of American youth has been consistently outstanding.

Of course, the betterment of our youth has also meant the betterment of our citizenry in general, for the youngsters of today are the leaders of tomorrow. The emphasis on fair play, self dependence and respect for the rights of others—and these are the basis of Scout training—serve to strengthen our democracy and insure the preservation of freedom.

In paying tribute this week to the Boy Scouts we think special thanks should go to all those adults who give countless hours of their time to make the local Scout groups possible. Many have put in years of service to this cause. Undoubtedly they get a tremendous personal satisfaction out of the work they are doing, but too often their faithful efforts are little noted.

It is our sincere hope and firm conviction that the Boy Scouts will continue to grow and prosper even more in the future than they have in the past.

The NEWS in BRIEF

Anything that prompts the youngsters (or the oldsters) to remember friends and family with a kindly or loving gesture is to be encouraged. That's why Valentine's Day (Feb. 14) and the sentiment it inspires is good for all of us. You don't have to be a kid (in age, that is) in order to get a kick out of Valentine's Day. For instance, there's lots of fun to be had in giving your wife a valentine, such as taking her out to dinner on that day. Or any other day, for that matter. Maybe many of us grown-ups don't see much sense in sending valentines with sweet sentiments on them as we did when we were youngsters but we can always try to be thoughtful and considerate of others. And that, it seems to us is the real spirit of Valentine's Day.

Forum Slated on Modern Education

The complex problems of teaching children in the Albany Schools will be the basis for a forum series to be held at the Cornell School Cafeteria starting Tuesday, February 17, 7:30 to 9:30 p.m.

The course, offered by the Albany Adult Education Center, will include such subjects as the purposes of public education, the development characteristics of children, the teaching techniques used in our schools today and the psychology of learning.

Dr. John Michaelis, professor of education, University of California, will open the series speaking on the topic "What is a Modern School Like? Its Purposes."

Topics for the following meetings will be:

February 24, "What Are Children in a Modern School Like?" Dr. Albert LePore, San Francisco State College; March 3, "How Do Children in a Modern School Learn?" Dr. David Russell, University of California; and March 10 "How Are Children Motivated? The Effect of Reporting Procedures." Dr. Irving Futter, San Francisco State College.

Following this forum parents and teachers will hold several workshop meetings to evaluate the reporting procedures presently used in the Albany Schools and suggest revisions. The workshop meetings will be under the supervision of William G. Woolworth, director of instruction, and will not be a part of the adult education program.

Dr. Paul C. Bryan, superintendent of schools, stated, "This program represents a major effort on the part of the school district to give parents essential information concerning their children and their schools. With such a background, parents and teachers can then proceed to devise reporting procedures which are more informative to parents and better for children."

ROTARY SPEAKER—Albany

Rotarians will hear Inspector J. C. MacDonald of the Oakland Police Department at the noon luncheon Monday at the Veterans Memorial Building. The speaker is widely known as an authority on "Bunco" and "Swindles," and is the author of several books on the same subjects. Tony Montana is program chairman.

Drains Urged For Jackson, Madison Sts.

The Albany City Council today has requested the Alameda County Board of Supervisors to permit Albany to transfer funds left over from the Solano Ave. widening project for use on a Buchanan St. storm sewer.

Action came at the Monday night session in the form of a resolution and was unanimously approved by the Council.

Urgently needed to relieve the flooding conditions on Madison and Jackson Sts., City Engineer A. L. Brinkman estimated the sewer would cost \$13,000. Of the original fund given by the county, \$814.44 remains and the State has given \$5000 from the gas tax fund. The county money had originally been designated for the extension of Marin Ave. and was later transferred to the Solano Ave. job.

In other business, the Council authorized the Tri-City Electric Co. of Albany to install 11 light fixtures in the city clerk's office at a cost of \$522.90.

On a motion of Councilman Edward E. Combs, the measure was approved 4-0 with Councilwoman Mrs. Kathie Zahn not voting.

Six 500-watt fixtures were authorized by the Council last week, but Mayor Jerome Blank discovered last Thursday that six lights would be insufficient for the office.

Mrs. Zahn held that with the addition of five more lights to the six already contracted for, the total cost would run over \$800, which would require calling for bids.

City Attorney Edward Plotner, however, said that in his opinion the city was within its rights under the City Charter to go ahead with the project without calling for bids.

In other action, the Council rejected two bids of \$2919 and \$1946 for the construction of a police ambulance garage on the ground that they were much higher than the city engineer's estimate of \$1350.

The Council then approved a motion of Councilman Lewis Howell to request the city engineer to make a report on the feasibility of either using city employees for the project or locating a contractor who might do the job at a lower cost.

In a report to the Council on the Key Route Blvd. grass planing controversy, City Atty. Plotner said that in his opinion the city should deny the claim of \$266.77 for seed and other materials furnished by Flowerland Nursery.

Plotner said that he had met with Atty. Joseph Young, representing nursery owner John Pleich, and that they could not agree on the facts of the case. Plotner ruled last fall that the seeds were purchased by the city "illegally" because the job was not submitted to bids.

GOP Women Plan Study Group

The executive board of the Albany Republican Women's Club today announced plans to conduct a study group on Thursday, February 26, 8 p.m. in the teachers' room of Cornell School Cafeteria. The program will be open to anyone interested in government, from the city level to the national two-party system, according to Mrs. Hastings McNafr, president.

Four classes are scheduled for the fourth Thursday of February, March, April and May. Charles Clarke, instructor of history, English and civics at Albany High School will lead the class, combining lecture with discussion and questions from the group.

The club held a very successful meeting recently at the home of Mrs. Harry W. Peterson, at which time the new president took charge. Mrs. Gladys Everett Penland, newly-appointed chairman of the national membership committee, was the speaker.

The club presently has 48 members, and invites all women interested in the Republican party to join.

Gracemont Baptists Set Homecoming

Homecoming day will be observed Sunday at Gracemont Baptist Church, Marin and Talbot Aves., it was announced by Dr. Fred L. Fisher, pastor.

Activities of the day will include Sunday School at 9:45 a.m. under direction of Ben Buck, morning worship at 11 a.m., an old fashioned "dinner on the ground" at the noon hour, followed by training union at 6:30 p.m. under direction of Mrs. Leonard Stone, and the evening service at 7:45 o'clock.

Gracemont Baptist was organized in February, 1945, and since that time its membership has increased to over 100 members. The church is affiliated with the Southern Baptist Convention in a world wide mission program and is known for its evangelistic zeal, its friendly spirit and spiritual atmosphere. In addition, the church conducts a full rounded program of activities designed to meet the needs of all age groups.

Tips on Touring

By Carol Lane
Women's Travel Authority

Cupid is as old as mankind. But many of the wedding customs to celebrate his triumphs have changed considerably because of the car.

Take a typical wedding procession today—a caravan of cars following the bridal couple with blasting horns. This is the modern version of the old French custom called a "charivari" during which the newlyweds were "serenaded" under the nuptial chambers with a hooting and howling boisterous enough to be heard in the next prefecture.

The business of tying old shoes to the back of the car has an amusing origin. In merrie olde England, the father of the bride presented his new son-in-law with one of her shoes to symbolize the transfer of his authority. The groom promptly conked his beloved over the head with the heel—to make her cognizant of this change immediately!

Many people today load the couple's car with cakes and sweets as they depart on their honeymoon. The ancient Greeks really started this when they poured flour and sweetmeats over the bride and groom to wish them an abundance of life's goodies.

And talking about honeymoons—they started way back when a man had to capture a bride. He took her to a hide-out while the parental wrath subsided.

The honeymoon today is still a withdrawal. But because of the car, it is often a mobile meandering with Cupid planning the itinerary.

SOROPTIMIST

News

Albany Soroptimists today know more about the Family and Children's Welfare Service of Berkeley

after hearing an address by Catherine Flynn at the Wednesday luncheon.
The speaker pointed out among other things, that the service, which also includes Albany and Kensington, was set up in 1906 to take care of the many refugees from the San Francisco earthquake area.
"It is a family and children's service to help others to face life at their most difficult times," said Mrs. Flynn.
In addition to its home maker service, the organization also assists in solving economic problems, mentally retarded children and problems which have to do with family living.
The speaker was introduced by Annabelle Denham, chairman.
Miriam Gilsenan, vice-president, presided in the absence of President Ruby Kampe, who was unable to attend because of illness.
Mrs. Lilly Holaday will speak on "Second Horizons" next Wednesday.

Furniture Fashions

The low silhouette, which makes small rooms look larger, is the big furniture fashion news this year. These new low pieces—and it goes for living room tables as well as sofas and chairs—appear to occupy little room area but provide maximum seating and surface space.
The handsome Modern room shown above, a study in black and white, is part of a series of room scenes commemorating the 75th anniversary of Grand Rapids, Michigan, as a furniture producing city.
Interesting style notes are the walnut coffee table, which comes in a choice of decorator colors: white, chartreuse, blue and turquoise; and the leather-laced, foam rubber-cushioned "loafer" in the foreground. It is 30 inches square and seats two comfortably. Legs are ebonyized walnut.
The sectional sofa and the diversified occasional tables may be arranged in a variety of ways, depending on the requirements of the hostess—whether for the serving of party or family meals—or just for everyday living.

Eat a Good, Good Breakfast

Head off hidden hunger caused by being a breakfast skipper or a breakfast hurrier. Get a good start each day by eating an adequate breakfast and end mid-morning doldrums.
Here is a breakfast menu that will make those hurriers and skippers take time to stop, look, and eat. . . . chilled, plump apricots. . . ready-to-eat cereal with milk. . . tender, scrambled eggs with chopped bacon. . . milk or coffee. . . and hot butterscotch pecan rolls.
This taste-enticing breakfast is simple and easy to prepare. Everything can be turned out in a matter of minutes. . . even the hot butterscotch pecan rolls. To save time, get the rolls ready for the oven the evening before by spreading a loaf pan with a mixture of melted butter or margarine, brown sugar and chopped pecans. Place Brown 'n Serve rolls upside down in the butterscotch mixture and keep in a cool place over night. First thing in the morning, preheat the oven to 400° F. and then bake the rolls for fifteen minutes while you prepare the rest of the breakfast meal.
Butterscotch Pecan Rolls
3 tablespoons melted butter or margarine
1/2 cup brown sugar
Combine butter, brown sugar and pecans. Spread over bottom of 1 quart loaf pan. Place rolls with tops down over sugar mixture. Bake in a moderate oven (400° F.) for fifteen minutes. Serve immediately. Yield: 8 Butterscotch Pecan Rolls.
3 tablespoons chopped pecans
8 Brown 'n Serve dinner rolls

This is a True Case History
I SAVED \$116.86 ON THE CAR I BOUGHT

"I made over a 50% down payment on a late-model car. I was told it would cost me \$257.60 to insure the car and finance the balance of \$700.00. Lucky for me I'd talked to a State Farm agent first, because I used the Bank Plan instead and paid an insurance and financing charge of only \$140.74. I saved \$116.86." (One of many actual cases.)

Many People Assume Finance Rates Are Standard THEY ARE NOT!

The Bank Plan offers you two proven money-saving methods. Low-cost financing through a nearby bank and low-cost preferred-risk insurance rates. Get your own figures on the cost of the car you want and COMPARE them with Bank Plan costs FIRST! Call or see your State Farm agent BEFORE you buy.

APPROVED OF THE GOLDEN RULE
Our Service Reflects Our Attitude
 We, at the Ellis-Olson Mortuary, feel that a funeral service should be a thing of reverence and beauty, and that the personnel of a funeral organization should assist the family with kindness and consideration. Throughout our business history, we have endeavored to reflect, in our actual service, this concept of our responsibility, and shall continue to do so. Our interest in the family is a truly personal one.

The CHILD WHO IS NEARSIGHTED FROM BIRTH OR EARLY DAYS WILL SUFFER FROM RETARDED UNDERSTANDING UNLESS HIS VISUAL FAULT IS CORRECTED, SAYS THE BETTER VISION INSTITUTE.

One OF THE MANY INTRICATE STEPS INVOLVED IN MAKING GOLD-FILLED SPECTACLE MOUNTINGS IS THE FORMING OF GOLD SHEETS INTO "CUPS," WHICH ARE FILLED WITH BASE METAL AND THEN SOLDERED TOGETHER INTO BARS.

In THE FAR NORTH CATTLE HAVE WORN SPECTACLES TO PROTECT THEM FROM THE GLARE OF THE SUN ON SNOW AND TO PREVENT THEIR BEING LOST IN BLIZZARDS THROUGH INABILITY TO SEE.

Quick Flavor Tricks With Molasses

Ten-to-ten your family will go for these ten ways to season foods with old-fashioned molasses. This "unsulphured" molasses contributes sweetness, because it's the concentrated juice of sugar cane, and distinctive flavor.

A tablespoon of molasses gives sweetness and an aromatic touch to grapefruit halves. If you like caramel sundae, you'll like a "Taffy Sundae" which is a tablespoon or two of unsulphured molasses poured right from the jar over a serving of ice cream. Sweet unsulphured molasses provides a beckoning aroma to baked beans, baked acorn squash and apples. It is a syrup treat on hot cooked cereal, biscuits, pancakes. Youngsters and father will go for open-face sandwiches spread with peanut butter and topped with a tablespoon of unsulphured molasses. And in the beverage line, a tablespoon or two of molasses added to a glass of milk gives spicy flavor and needed iron in the daily diet.

Molasses Quickie Baked Beans
Combine 4 tablespoons unsulphured molasses, 1 tablespoon prepared mustard and ½ teaspoon salt. Add alternately with 4 cans baked beans to bean pot. Bake in a moderate oven (350°F.) 45 minutes. YIELD: 8-12 servings.

Molasses Acorn Squash
Halve acorn squash; remove seeds. Place in baking pan. Fill each half with 2 tablespoons unsulphured molasses, 1 tablespoon butter or margarine and a dash of salt, and cinnamon. Cover the bottom of the baking pan with a small amount of hot water; bake in a moderate oven (350°F.) 1 hour, or until tender.

Molasses Baked Apples
Wash, core and pare apples ⅓ of the way down from stem end. Mix equal parts of unsulphured molasses and sugar; fill center of each apple. Add enough water to cover bottom of dish. Cover and bake in a moderate oven (375°F.) 30 to 40 minutes, or until tender. Serve hot or cold with cream.

Food Sense—Not Nonsense

NOT SO FAST—Take Time To Breakfast

No pilot would think of taking a plane off the ground without a motor warm-up and a fuel check, yet many folks take off for the day from a cold start, and, no food to fuel their operations.

That mid-morning slump which comes to those who hurry through a meager meal or skip it entirely is very real. School children are less alert. Workers react more slowly. Starting the day without a good breakfast isn't being fair to yourself.

Why not get into the breakfast habit when it is easiest to do. Cold, blustery days are with us and you and your children need more food to help keep you warm and comfortable. Being out-of-doors in cold weather for any length of time demands extra energy. Medical authorities advise that for each 10 degree drop in temperature, persons who will be out in the cold should step up their calories by about three per cent or a total of about 10 per cent when freezing weather arrives.

Instead of doing things by halves nutritionally, get one-third of your food needs when you need them most—at breakfast. The idea of eating one large meal in the evening won't do for the life most of us live. We are not lions who can gorge, then sleep away the day to wear off the effects. All of us need a steady flow of energy, eight hours a day. Only three well-balanced meals eaten regularly will give us this energy flow.

Here is a breakfast menu for a good warm-up on a wind-whistling day . . . fruit, cereal and milk, egg and a breakfast meat, and several slices of piping-hot buttered toast.

We're trading high, wide and handsome on any size Ford Truck you want!

If you do business with your Ford Dealer right away—you may discover that your old truck is worth from \$25 to \$200 MORE than you think! Don't delay. "Later" may be too late!

Get a new Ford Truck now. Full range, from Pickups to 22,000 lb. G.V.W. BIG JOBS! And the day you buy is just the START of your savings with a thrifty Ford Truck!

Availability of equipment, accessories, and trim as illustrated, is dependent on material supply conditions.
